Are you free, after school?
Oh Yeah, Izumi
Got it
Don't make any plans, then
?
Uh?
Err, yeah
What?!
Miss Brazen Brow invited me?!

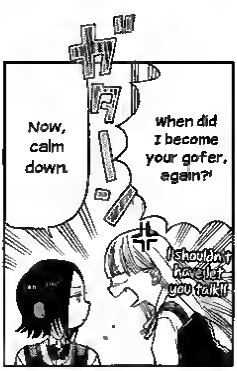
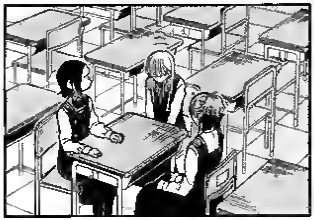
*naruhodo = "I see"

We can't just stay hidden like this forever...
If we wanna make it through afterwards...



Now, calm down.
When did I become your gofer, again?!
I shouldn't have let you talk!!



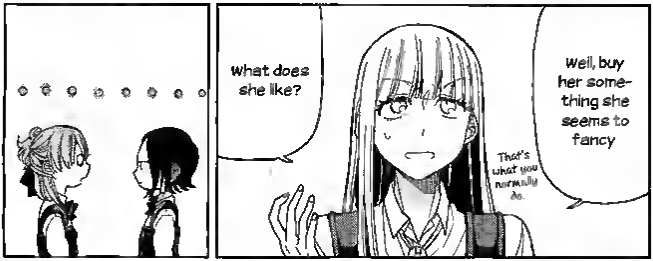
UEHARA, SAFE PERSON
?
So I first introduced you to a safe person

04

Our senpai will soon have her graduation ceremony
Well, let's move on to the main topic.

So she was actually thinking about me huh..!

Or maybe she's just exploiting me, who knows..
Do you have an idea, by any chance?
But I'm completely stumped.
I'd like to give her a present for the occasion.



What does she like?
That's what you normally do.
Well, buy her something she seems to fancy

Should we buy the moon?
Stars...
I don't think you need property rights on it.
The title deed is around 3000 Yens* from what I heard.
*around 25$/15£

Really special that she wouldn't forget anytime soon
We would need something

Sample
Aside from that, the only ideas I have are stuff we already bought her during the last 4 years

NICE IDEA
We can buy her stuff that will be useful in her new life!
I know! She'll be a college student next year, right?

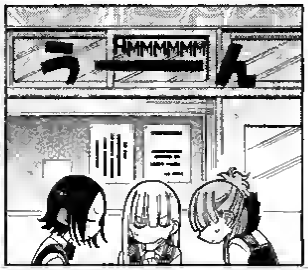
Don't get pulled in will you
You think so?
So all that's left is the moon, huh

I did think about it, but..
?

ソよん

すん
ugh
That's
Making her think of her new life right now might be twisting the knife, more than anything
I think..
The results for the state university she asked for will be published next week

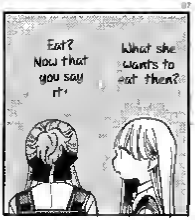
Like, "I would like this", or "I'd like to eat that", or "I'd like to go there"
Didn't she tell you anything?



うーん
Hmmmmmm

ガ"
A planetarium!!
Ah, I know!
ニヤ!

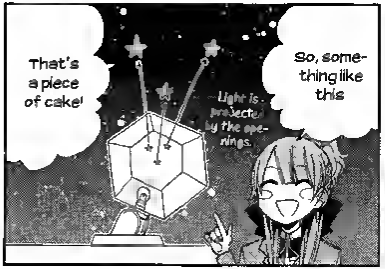
Err, well, asking her where she wants to go would be a bit harsh...
Kinda.



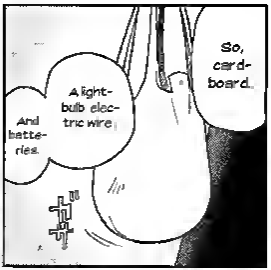
07
Eat? Now that you say it,
What she wants to eat then?

You mean that?
She said she wanted to see it again, right?
Huh?
So...
Memories rather than an object?
Sounds good to me.
I want to give her a personal planetarium!
She already has one at home, though...
A rather impressive one
No, no, I mean!
Let's make one!!

A special planetarium...
That looks like no other one!!
Special
*Hardware store



That's a piece of cake!
So, something like this
Light is projected by the openings.



So, cardboard...
A light-bulb electric wire
And batteries.

Thanks.
I take the bus, so we part here.
Okay. Chiharu and I we'll do the best we can.

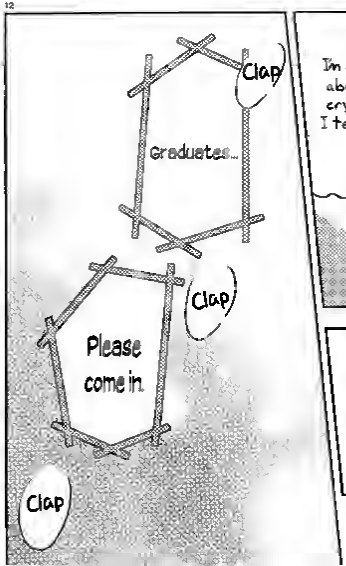
What
Me?!
Ahaha
Will it be enough cardboard?
If it's not enough, you'll just have to go buy some more.

Say

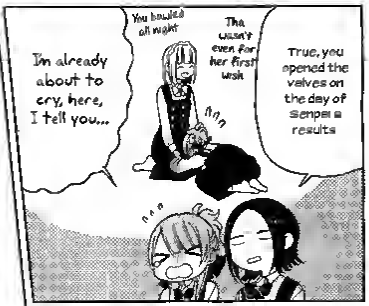
You and Miss Brazen Brew are good friends, right?
Ah ha ha
Miss Brazen Brow? That fits her to a T!
Then
Of course we're friends!
You wouldn't know why she had a fight with Hoshino-senpai.
By any chance...?
きゃ

Hum?
No clue
Why do you ask me that?
I see
Yeah I shouldn't have. Ever.
I did try to ask her once.
But since she clearly didn't want to talk about it I just gave up.
But well, whether I know or not
I'm still her friend, no matter what
Aren't you the same?
Ai

You're a tad too equiped, there.
Well...
I wouldn't want to run out of tissues mid-ceremony



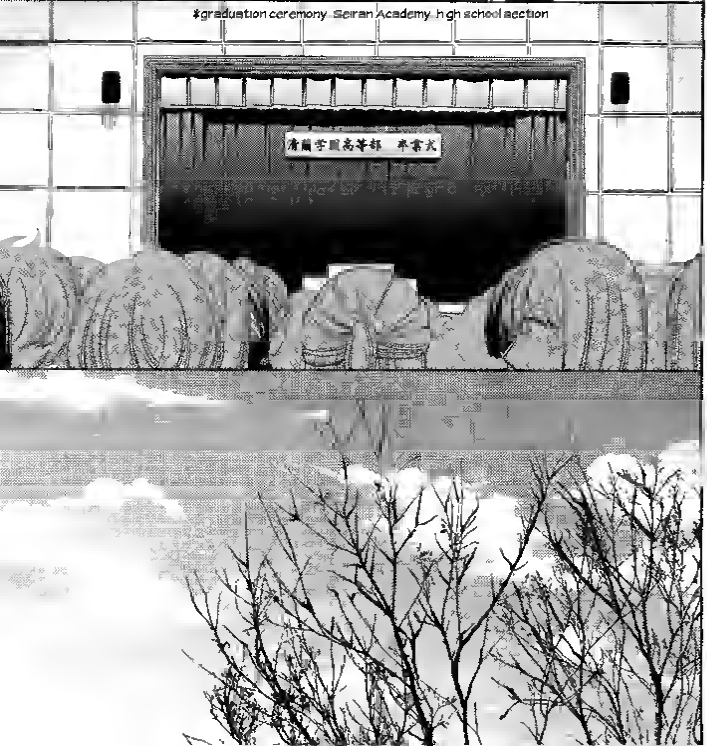
Clap
Graduates...
Clap
Please come in.
Clap

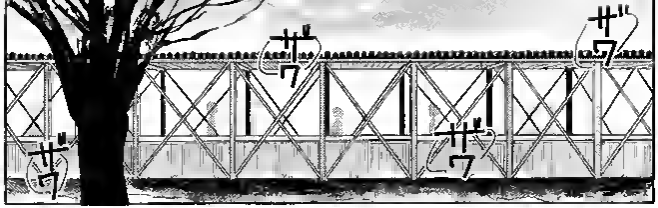


You bawled all night
Tha wasn't even for her first wish
I'm already about to cry, here, I tell you...
True, you opened the valves on the day of senpai's results

Clap
Clap

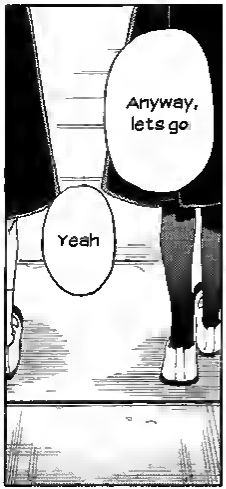
*graduation ceremony Seiran Academy high school section





don't like this!!
Am I becoming heartless?!
Why did I not cry?!

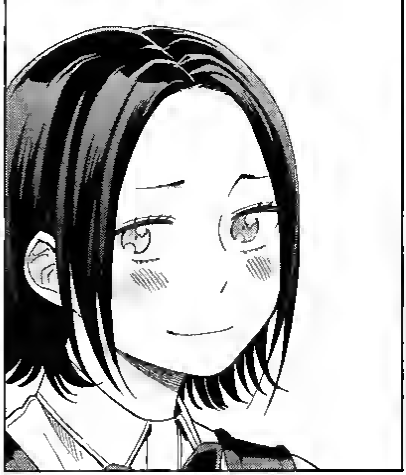
It ended faster than I thought.
I didn't even cry

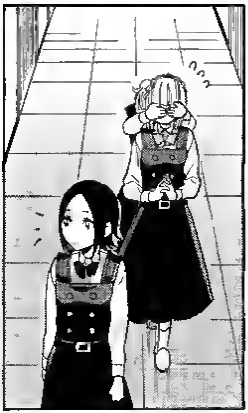


Anyway, lets go
Yeah

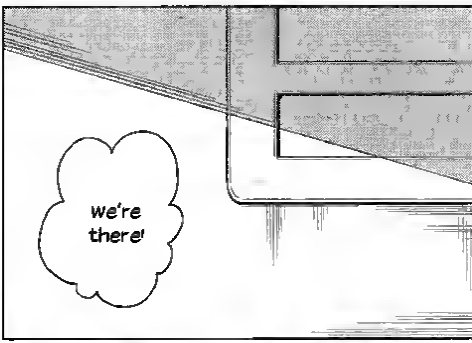
Of course not
It's just that this ceremony doesn't change much in the end

*Lily dorms
鈴蘭寮
Hmm. She doesn't need to be so shy
I invited her, but she said we'd be better off, just the 3 of us
Is Izumi coming?
15
All ?
Where are we?
We're almost there, just wait, Senpai!!

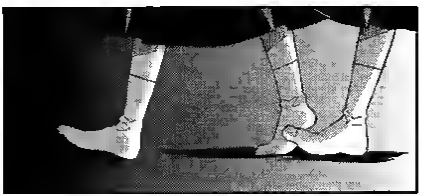




You can open your eyes, Senpai



We're there!



Tadaaa!

Quite some-thing, isn't it?
Our home-made planetarium!
So, this is the con-stellation of the crepe we ate once...
And this is the con-stellation of the teddy bear

Can't you remember it?
Or was it over there?

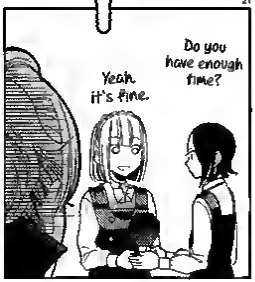
The constellation of A?
And here, you have my constellation.

It's the most beautiful starry sky I've ever seen
You're right.

Anyway!!
フッ
With this, wherever you go...
You'll be able to see us with the stars, see?

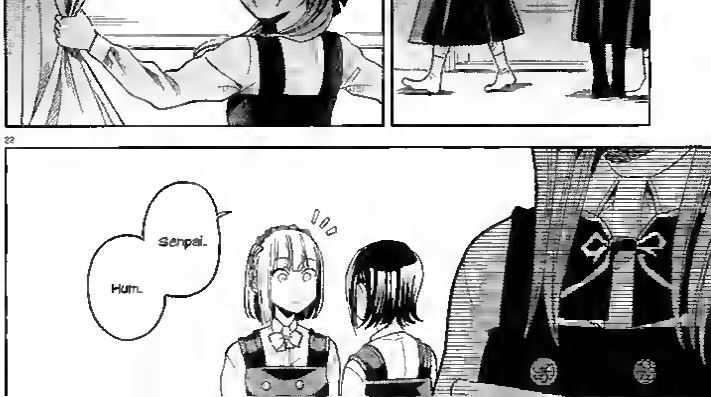
ぱち
PAC

It's weird.
Huh?



Do you have enough time?
Yeah, it's fine.

I didn't cry at all during the ceremony, so why now..
Let's take a pic!!
frosh
rub
rub



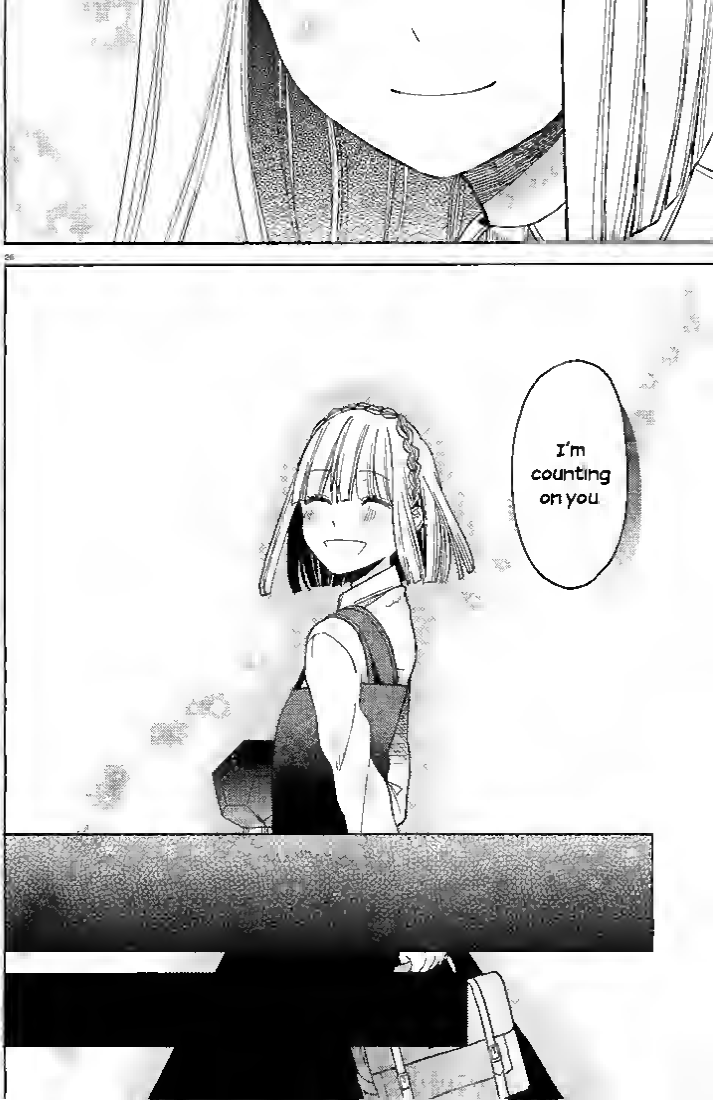
Senpai..
Hum..

Of course.
I'm waiting for it.
The photo
The photo
...Come to see us when you have the time.
I'll call you
BIBIP
Hop, come a bit closer, you two!

KSHAH
I have to go.
See you later.
ガチャ

How did you find our..
Izumi ?!
ツカツカツカツカツカ
Oh, are you done?
24
HUH?!
I'll do what I have to for Miss Brazen Brow'
ガ!!
!!!

You can graduate without a worry!
Let me take care of the rest!
ふぁっ



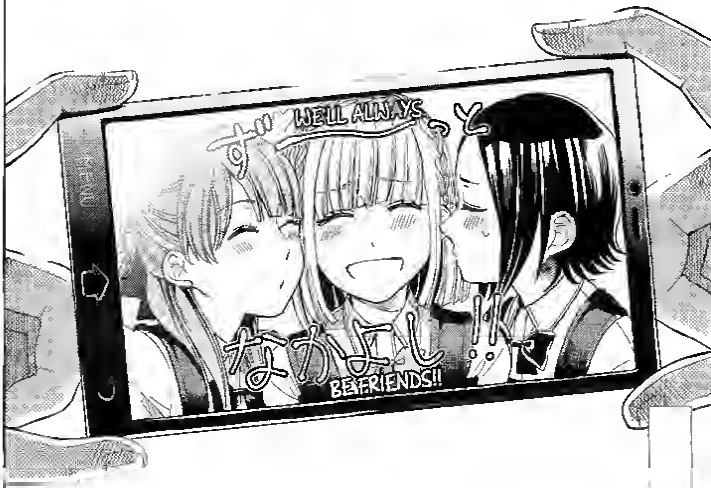
I'm counting on you

Satisfied
BAM
Phew, I finally said it.
What was that for?!
I lost some of my precious brain cells !!!
Thanks to me, your Senpai could leave with her mind at...

ease...

Chiharu, wait for me!
You're blushing
I'm not
Oh come on, don't be shy!
ひょっ
Stop taking

So they hit it off by making fun of me...
I can see that, yeah!!
Well, she's never been very honest!
Thanks.
The one we just took.
I'm sending you the pic!
Ah!



WE'LL ALWAYS
なかよし!!
BE FRIENDS!!

# The Little Theater of KnoKiss

## ~Behind the scenes~

End credits for the early spring.

And I was so happy to apply for university along with you!!
Do you know how much time I waited for you in front of the exam center?!
Die, you liar!!
Which means you deceived me from the start?! You're the worst!
Ouch
But I don't have the leisure to take an exam where I have zero chance of success.

**Tōko**
3rd year Natsumi's childhood friend. Good at studying.
